Dear Golfers:

It is that time of year again. On Saturday, August 3, 2013, First Baptist Church will be hosting its annual golf outing fundraiser for the Midwest Christian Boys' Football Camp. Once again, we will be going to the Dwight Country Club (DCC) for our golf outing. DCC is a semi-private 18-hole golf course, located one mile west of I-55 on Rt.17 (Exit 217) in Dwight, Illinois. Established in 1913, it is Livingston County's oldest golf course. It is located in a quiet rural setting, which will make for a relaxing day of golfing. DCC is challenging for all levels of golfing experience. Two varieties of game play will be offered.

First, our **Pro-Am** flight features a four man, best ball format. This flight offers opportunities to purchase mulligans and our famous ten feet of string. You will tee-off from the white tees. This will make for a nice leisurely day on the golf course.

Second, our **Championship** flight is straight-up four man best ball. This flight is geared for hard-core golfers with no gimmicks, no mulligans, and no string. You will tee-off from the championship tees. The course will be challenging and the competition will be stiff. Every stroke counts, every penalty is in play, and the hole isn't over until the ball hits the bottom of the cup.

Once again, you will have the opportunity to pre-pay for your golf outing on our website listed below. You may place a \$40 per person non-refundable deposit down to hold your spot or if you choose you may pre-pay the whole amount. The **Pro-Am** flight will be \$80, and the **Championship** flight will be \$100. Any registration received after July 28, 2013, will also incur an additional \$20 late registration fee.

Check-in will begin promptly at 10 a.m. followed by lunch. We will have a shotgun tee-off at noon, and after a beautiful, full day of golf, you will be served a delicious ribeye steak dinner. Register by calling the First Baptist Church office at (815) 584-3182. If you have any questions, please do not hesitate to call.

Sincerely,

Tim Wagenschutz
